

## Little Gems Pre-school Program

Crestwicke Christian Academy is pleased to introduce Mrs. Viki Andres' Little Gems program. Little Gems is a pre-JK program specially designed with little ones in mind!

Our Little Gems program is a fun introduction to school life here at our Academy. The Little Gems (age 3 by December 31, 2010) will share a classroom with our JK's.

Little Gems will enjoy a day full of activities and fun play in a safe and nurturing environment. Full-time placement is available from 8am to 4 pm each day, from September through June.

The price of the Little Gems program is less than most conventional day-care programs and you receive a tax receipt so you can claim the expense just the same as any other day-care!

The rate for the Little Gems program is \$4,850.00 for 10 months. The program follows the regular school year here at the Academy and will share the same holidays as the school. Alternate care will need to be arranged for those times and during the summer months.

If you are interested in learning more about our Little Gems program, please call the school office at 519-836-5395 and set up an appointment to visit the class and talk to Mrs. Andres.
